

Connect the Dimmer Switch wires as shown above.

1. The top center terminal of the Dimmer Switch is connected to the Headlight switch.
2. The terminal on the right side is connected to your headlight high beam terminal.
3. The terminal on the left side is connected to your headlight low beam terminal.
4. Use the enclosed hardware to attach the new dimmer switch to the top of the floor plate of your car. This switch does NOT mount under the plate as the original did.
